Scientific breeding of livestock and poultry is an established custom of the Golden Oak Organization. We are proud of our prize-winning cattle and high record poultry, the progeny of which are improving the cattle herds and poultry flocks in this area. We invite you to visit the Golden Oak Farms and Hatchery at any time. The welcome sign is always out.

WELCOME TO OUR SALE

We extend to you a cordial invitation and hearty welcome to be our guest in Stephenville on Tuesday, April 26th.

We will hold our sale in Stephenville since it is centrally located, has ideal facilities and plenty of accommodations to take care of our overnight guests.

Due to severe drought conditions the last few years we have decided to reduce our breeding herd and sell 66 head of outstanding Shorthorns. Never before in the history of Golden Oak Farms has our breeding herd been at a more productive stage. A visit to the farm will convince any cattleman that the herd is doing a swell job of producing lots of good, thrifty calves.

The cattle will be grouped at the farm several weeks prior to sale day. If you wish to look them over be sure and let us know in advance so someone can be on hand to show them. They will be moved to the Fair Park Sale Pavilion in Stephenville Monday morning, April 25th.

We have concentrated one of the strongest battery of herd bulls in the southwest and are happy to share this breeding with our customers by offering a large number of bred females. We have spent a lot of time and money the past eighteen months in selecting three imported herd sires to use on our Prince Peter-Royal Leader females. Their sire or grandsire has been rated as the leading sire in Scotland for several years. These with five others of our own breeding make eight stock bulls whose get and services will be strongly represented in this sale.

We are proud of the entire offering and feel confident there will be many bargains that will enable you to make profitable investments. The group of 15 bulls are tops from our year's production. Most of their sires have outstanding show records and all of them have demonstrated their ability to produce prize winning cattle. The 50 females are of up-to-date breeding and will be in the best of condition to go into other herds and continue to do well. They will be sired by bulls of our own breeding and mated to three, outstanding, imported, stock bulls from some of the most popular sires in Scotland.

We will be looking forward to seeing you in Stephenville on April 26.

TOP SHORTHORNS...

ARE JUST ONE OF THE CARAWAYS' CLAIM TO FAME

It is true that the Golden Oak Shorthorn herd owned by the Caraways is among the most well known in the nation but the Caraway family are also justly proud of their extensive farming and livestock operations and of their Golden Oak Farms Hatchery and Golden Oak Milling Company, manufacturers of stock and poultry feed.

It was back in 1925 that C. M. Caraway, Sr., bought his first Shorthorns and since 1930 Golden Oak Shorthorns have been closely associated with the highest quality of Shorthorn cattle at leading livestock shows throughout the nation. The Caraways ranked fourth in the nation this past year among all breeders of Shorthorns and Polled Shorthorns in numbers of calves recorded. It is then, from this organization, that you can expect an outstanding offering of cattle on April 26.

CALROSSIE TALISMAN - We purchased this son of Calrossie Welcome at private treaty from Les and Gene Mathers, August 21, 1953 for \$7500. He has developed remarkably well and at the same time sired approximately seventy calves the first year in service at Golden Oak Farms. His sire, Calrossie Welcome, sired the 1952 Perth supreme champion, the sale top and 9 sons that averaged \$12,000. At the 1954 Perth Sale 11 of his sons sold for an average of \$9220. He also sired the 1955 Perth Champion, Calrossie Paramount that sold for \$25,500. All cattlemen who have seen the calves by Calrossie Talisman are well impressed with them. This will be a great opportunity to purchase bred females and a few sons and daughters of this promising, young sire.

CRICHTON BAMANGWATO — A perfect, dark red with a grand head, is unusual in width, depth, fullness of quarter and character. He is a great doer, in fact was one of the few bulls that continued to thrive under quarantine and travel conditions. This bull topped the 1954 Leveldale Sale at \$3600. His pedigree is faultless and he is a proven sire of good calves having been used on yearling heifers at Crichton. His sire, Kirkton Great Expectation, is the stock bull that has done so well for Roy Watherston at Crichton. His grandsire, Kirkton Baronet, was leading Scottish sire before Calrossie Welcome. Several heifers in the sale will carry service to this outstanding, young sire.

The supreme champion, Burton Bankbook, sold for \$21,900, the reserve supreme champion, Burton Rowan, sold for \$15,000. In the 1954 Perth Sale 5 sons of Calrossie Crocus Count sold for an average of \$10,700.
